

# Database Project Memo

We will be joining the two data sets based on the county in New York state.

## Dataset 1:

<https://data.ny.gov/Energy-Environment/Title-V-Emissions-Inventory-Beginning-2010/4ry5-tfin>

This dataset contains pollution information about each type of pollutant per county in New York State.

License: "The license for this dataset is unspecified". This is from a public New York State site so we deem it okay.

## Dataset 2:

<https://gis.cdc.gov/Cancer/USCS/DataViz.html>

This data set contains cancer case information per New York State county.

License: The license information is unspecified
